

Player Development Meeting 06.01.2022

Present: Chuck Andrews, Steve Barten, Charlie Orth, Scott Martinka, Dan Selander & Mike Stang

Absent: Troy Engebretson, Shannon Olmscheid, & Dave Zimmer

Others: Amanda Peterson

Tournaments:

1. They are not advertised the ways they used to be.
2. Challenging to find and many are already full.
3. Review changes that we need to make with tournament committee.
4. Preferences
 - a. Nice to have an away tournament early to help the team and parents get to know each other.
 - b. Some locations have more to offer.
 - c. Larger tournaments and avoid four team tournaments if possible.

Format for PDC meeting:

1. Meetings are open and guests are welcome. Guests are encouraged to get on the agenda if they have something they specific to discuss.
2. Once the meeting begins follow the agenda. Please limit side discussion and work through the agenda first. We need to focus on getting our work done before we get distracted.

Coaches Review:

We reviewed all levels and discussed coaches on each team. Going forward - how do we improve and support coaches that are struggling? Level coordinators checking in a regular basis to help with challenges.

Coaches Meetings:

We discussed changing the format and content for coaches' meetings. The old format had too much information and was overwhelming.

Ideas for moving forward:

1. First meeting is to get coaches registered and signed up correctly.
2. Second meeting with head coaches after evaluations.
3. IP coaches meeting once their season begins.

Equipment Needs:

1. Intermediate nets
2. Quick change goalie gear
3. Puck bags

Next Meeting will be July 20th at Shaddy's in Paynesville @ 6:30pm

Topics: Dryland Training, Coaches meetings and dates, & Evaluations
