### Documents required for Tournament Check-In:

- **Uploaded Player Passes:** All participating teams will be required to present each player’s pass-card. These will be checked against the team roster on Got Soccer. Passes must be issued by a US soccer organization, such as US Club or CYSA. All passes must be current. No expired passes will be accepted.
- **Official Team Roster:** US Club Roster or CYSA Golden Rod rosters will be accepted. We will be comparing your roster with your passes and the roster you enter on Got Soccer, so please make sure all 3 match.
- **Signed Waiver Form** – This will acknowledge that you personally have each player’s medical release forms. Completed and signed player medical release forms should remain with you throughout the tournament. If you are not a US Club team, you will need to provide us with your own affiliates’ insurance. In addition, you will need to register as a tournament team with US Club Soccer or obtain tournament insurance from US Club Soccer, pursuant of US Club Soccer Policies. This must be presented at check-in. \*Please see website for more information on additional team insurance\* [www.fusionsc.org](http://www.fusionsc.org)

### **Guest Players:**

Have all guest player paperwork filled out and signed. For each guest player, the team must present a valid US Club player loan form, their current laminated player pass, and a completed, signed player medical release form.

It is imperative that your online Got Soccer Roster for this event lists all players you would like to play in the tournament, and that you have a player pass and medical release for each of them. We will be using a printout from Got Soccer at check in to match your documents to. If a player is not listed in Got Soccer under this event, they will not appear on the game cards for the games.

**GUEST PLAYERS & ROSTER SIZE.** There is a limit of 3 guest players per roster. We do not have a roster size limit for this tournament.
