

# **Dedication Page Ad Specifications**

Sizes: Full Page (8" x 10"), Half Page (8" x 5"), Quarter Page (4" x 5").

Supply a finished "ready-for-print" art file at one of the above finished sizes as a high resolution (at least 300 dpi) .pdf, .jpeg or .png. Apologies in advance for the type of files that we can't accept. Microsoft Word, Microsoft Publisher, Apple Pages, or Adobe Pagemaker can only be accepted if they have been translated into "print-ready" high resolution .eps files.

If you would like the yearbook maker to create the banner using files provided by parent or business, there is a flat fee of \$50. If the parent -or- business requests something extensive (ie: many multiple photos, possible "digital airbrush", create a logo, etc.), and/or if the request for revisions becomes extensive, an additional cost would need to be determined and the parent -or- business would be notified in advance.
