

2023 Rosemount Irish Invitational

Welcome to the 22nd Annual Irish Invitational. Attached is the course map (print as many as you need for your team) and Irish Invite History for the Friday, September 1 Irish Invitational. If there is a new coach for your program, please forward the information and reply to me.

A few notes:

1. The meet is timed and scored by Wayzata Results. Registration is through athletic.net. Per MSHSL rules, no 6th graders in the high school races.

RAAA Mile: 2022 was our eighth kid's race at the mile distance. If you have a youth association or know of kids that want to compete, they may register for the RAAA mile. The races are for grades 6th and under. Registration will be handled slightly different and not through athletic.net Wayzata Results will provide a spreadsheet that will get distributed the week of the event. If you have an association, contact chris.harder@district196.org for the form. If it is individuals, you can register on-site. The cost is \$100 per association (send or give to me or Coach Hatleli at RHS - just trying to offset some costs). If it is just a participant, go get a race number at the event.

2. The course consists of grass, dirt, and some asphalt. Rosemount's varsity runners generally (but not all) wear spikes, but I know of some schools that wear only flats on this course. Many of our lower level wear flats.
3. Only the varsity race has a limit of 10 runners per school. The JV, C, and 9th races are unlimited entry. You can set your line-up however it works best for your situation. Don't feel obligated to fill every race.
4. If your school has not paid your entry fee, please have them do so to Rosemount High School. There is no late charge or anything along those lines, just do your best to be timely.
5. Results will be live and online at wayzataresults.com
6. Being Labor Day weekend, we will hand out award shirts at the finish.

7. Your race packets will be available near the finish line upon your arrival. There is not a coaches meeting.
8. Please - no dogs. Please let your participants parents know.
9. The course is closed for warm-ups at 8:05-8:25 for RAAA Mile. The course is closed during races to non-participants.
10. Please keep Team Camps away from Start/Finish line area. Please clean up camp areas at completion of meet. Thanks.
11. The meet schedule:
