Greetings from Cleveland Youth Baseball & Softball (CYBS),

One year removed from a season canceled due to the pandemic, last year was filled with full hearts, competitive games, and lots of smiling faces (under masks). A huge thanks to all our past sponsors for believing in the power of youth sports and community.

The challenges and expenses of running a league seem to raise on a consistent basis, and unfortunately this year is no different. Over the last several months, we incurred the increased cost of field permitting, maintenance supplies, PPE, and equipment, among others. Generous support from our local business community is a giant piece to our success; providing necessary funds for the above items as well as quality player & coach instruction, umpire fees, and uniforms. In addition, CYBS prides itself on low player enrollment fees and a scholarship fund which offers financial assistance to those families in need.

Our 501c3 organization is made up entirely of volunteers willing to donate their time and passion to this game we love, but none of it is possible without the helping hand of our small business community. We invite all past sponsors to join us again, and all those new to our league to strongly consider a team sponsorship in our 2022 spring season. Or, should you think of a unique way to support our league, we're all ears! Anything from volunteer hours, offering a percentage of sales, or providing useful & relevant materials.

Please see the attached donor form for additional information, including a list of benefits should you chose to sponsor. From all of us at Cleveland Youth Baseball & Softball, especially the kids: we thank you for your support! We'd like to include the following message from one of our 5th year players:

A photograph of a handwritten note on lined paper. The text is written in cursive and reads: "Baseball is not just game, it's a sport that means a lot to people. In the junior league you don't just play a sport, you also get to meet new friends and learn more about this game and how it's played. We really appreciate the people that sponsor this Cleveland league." The name "Clyde." is written at the bottom left of the note.

Baseball is not just game, it's a sport that means a lot to people. In the junior league you don't just play a sport, you also get to meet new friends and learn more about this game and how it's played. We really appreciate the people that sponsor this Cleveland league.

Clyde.
