The Andover Center Ice Club (ACIC) is proud to award scholarships to the graduating class of 2024. The decision on whom to award these scholarships is based solely on the information provided in this application. Applications may be reviewed by the Andover High School Hockey coaching staff and recommendations may be used as part of the selection process by the ACIC Scholarship Committee.

The ACIC will award the scholarships to graduating members of the class of 2024 based upon the following criteria:

- Academic Achievement
- Dedication to the Andover Boys Hockey Program
- School/Community Service
- Sportsmanship and School Spirit
- Character
- Acceptance or pending acceptance to an institution of higher learning
- Participation for minimum of 3 years in Andover Boys Hockey Program(s)
(can be combination of AHYHA, High School, or Icedogs)

Applicants interested in applying for one of these scholarships should complete the following application and return via email to president@andoverhockeymn.com AND JLAW36@gmail.com by Wednesday, April 10th, 2024. Attach a copy of your unofficial transcript to the application. The scholarship is intended to be used for post-secondary education in the 2024-25 school year. If you are planning on playing junior hockey next fall (fall 2024), the scholarship can be used for on-line post-secondary courses taken while you play junior hockey. If you are planning on playing junior hockey next fall but do not take any post-secondary classes in the 2024-25 school year, a request can be made to the ACIC for consideration of extending your scholarship award until the following academic year.

The information contained in the application is true, to the best of my knowledge and belief. I understand that my misrepresentation of information shall be grounds for loss of any scholarship funds and I may be responsible for repayment if the funds have already been awarded.
