

The Solomons Steelers Need Your Sponsorship Help!

The Solomons Boys and Girls Club operates the Solomons Steelers, Cheer and Lacrosse. We work hard to provide the youth of our area with a safe and fun way for our children to spend their time. We are currently planning on replacing our football teams helmets as well as our cheerleader uniforms without raising fees.

This is where our valued business partners come in! The price of helmets has doubled in the last few years! It will cost over \$10,000 to replace these helmets. We are offering valuable advertising opportunities for our partners. These opportunities will get you business in front of thousands of our parents, grandparents, and families! PLUS added exposure at our well attended Home Coming game which generates tons of excitement!

All of our packages include Social media exposure and a listing on our sponsorship page on our website!

Please feel free to choose a package that meets your needs and expectations.

Thank you,

Solomons Steelers BOD
