Board Action Items

Question for the Board:

Culture Committee vs. Programs Committee overlap needs to be defined. Should we be developing programs that drive culture or should we be promoting established programs to strengthen culture?

I.e. Learn to Skate, Pink the Rink, Big Fish Little Fish, and Community Events

Other Committee Notes

- The Marlins Costume will not be ready for use until next season. No cost to the association and it will generate sponsorship revenue.
- Year-End Banquet will involve a Culture Committee Introduction and Awareness presentation, Slide show looping of community activities, and a player assessment handout.
- We would like to recommend an equipment swap meet that association members can bring equipment to trade or sell. Thoughts were at the end of year banquet or a time before the season starts in the fall.
