

St. Louis Park youth hockey families,

My name is Wes Walz and last Aug was the first year of the Walz/Wild hockey school at the St. Louis Park Rec Center. We had an absolute blast! We are coming back for year 2 again this Aug. So, if you are looking for a camp where your child will have FUN while learning the skills needed to get better at hockey please check us out. Lots of value for families that sign up(4 lower bowl seats to Wild preseason game/25% off at Hockey Lodge/Wild player Q and A), to much more to list. Go to [Wild.com/hockeyschool](http://Wild.com/hockeyschool) to get info and register.

Any questions please feel free to reach out via email directly at [wwalz@wild.com](mailto:wwalz@wild.com).

See you around the rinks!!

A promotional graphic for the Minnesota Wild Hockey School. The background is a green-tinted image of a hockey rink with a coach in a black and white jacket gesturing towards players in green jerseys. On the left, there is a logo for 'Wes Walz's MINNESOTA WILD HOCKEY SCHOOL' with 'bryant Heating & Cooling Systems' below it. The text 'LEARN FROM A PRO!' is written in a large, stylized font, followed by 'IMPROVE YOUR SKILLS AND HAVE FUN.' in a red banner. Below that, it says 'Camp for Boys and Girls Mites, Squirt, Pee wee' and 'St. Louis Park • August 3-7, 2020'.

**Includes 4 tickets to a 2020-21 Wild preseason game**
