Pastor's Message

Recently, I had the privilege, for the first time, to experience the Mississippi River, as parishioners invited me to be with them at their campsite. What a peaceful and restful evening that we shared together. In today's Gospel, Jesus says to his apostles, "Come away by yourselves to a deserted place and rest a while." This is immediately after He had sent them off two-by-two to preach the Good News. This points to the need for all of us to have balance in our lives. Continue to enjoy this season within the Bluff Region, family get-togethers, traveling, and just "resting" in the Lord Jesus Christ.

Fr. Evans

Saint of the Week

In **Mary Magdalene** (Thursday), Jesus saw much possibility, as he sees in us. Once her sins were forgiven, she remained steadfast in faith and love, even to being one of the handful of people at the foot of the Cross. Because of her great love, she was the first person Jesus appeared to after his resurrection from the dead. His command to her, is the same to us, "go tell" and recount the ways that we, too, have seen the Lord.

Crucifixion School Board Elections will be held next weekend, July 24 and 25. Please take time to read the biographies of the candidates and give prayerful consideration to voting in the election.

Nicole Anibas

I am the mother of a soon to be second grader, Cole Prouty. I have lived in the La Crescent area for 20 years since graduating from Viterbo University. I am a RN at Mayo and will be celebrating 20 years this month. I started my career in Labor and Delivery, after 10 years I moved to the Family Practice Clinic and I am currently working as a Complex Care Coordinator. I have taken on many roles as an RN over the last 20 years including instructor of fetal monitoring to nurses and doctors. I am a super user for our electronic medical records, and have led the project of creating template notes so that nurses in the complex care coordination role chart the same way on all patients. I have also worked as a Preceptor for many new employees over the last 20 years at Mayo. In addition to my nursing I have assisted in managing a landscape and snow removal business.

I would like to serve on Crucifixion's school board for many reasons, the first being I would like to become more active in Cole's school. I have two older children and was very active in the public school with their classes and friends and I would like to have that with Cole and his school. I also have a vested interest in the education of the children of the future. I would like to be part of the holistic part of education, and to share my time and talents with the school and education of the children here at Crucifixion.

Rebecca Swedberg

I would like to express my interest in the school board position that is currently available at Crucifixion School. As a former student with a background in education, I would love the opportunity to lend my knowledge and experience to Crucifixion School.

I currently serve as an instructor in the School of Education at Saint Mary's University in Winona. I work with candidates who are preparing to become strong, student-centered educators. Prior to working at Saint Mary's University, I served as an administrator at St. Mary's School in Caledonia. I have a strong background in the accreditation process through MNSAA and the requirements put forth by the Diocese of Winona-Rochester. I possess a great deal of knowledge and background in education and believe I would make an excellent school board adviser.

As a former Crucifixion student, I possess a deep faith in the mission and vision of the school. I believe that my knowledge and background can help move Crucifixion further in developing a Christian centered learning environment.

Tyler Wieser

I would like to serve my community by serving on the Crucifixion School Board. I have been a part of the La Crescent community for the majority of my life. I was raised on a farm with 7 siblings where I learned to work hard and the importance of faith and family. I attended Crucifixion School as a child and have been a part of Crucifixion Church for many years. My wife and I have five children, two of which currently attend Crucifixion. We are very thankful for the Christian environment that the school has maintained and the impact it has had on our family and community.

I work at Wieser Brothers General Contractor as a general superintendent. In the 17 years of work, I have learned to work together with clients, architects, engineers, subcontractors, inspectors, and co-workers to take a vision and make it a reality. This experience would benefit the school by addressing the building and grounds needs in addition to helping people work together to accomplish the goals of the school. I am thankful for the opportunity to serve God, my family, and my community by serving on the school board.
