

We are heading into a very busy week which will be followed by a much slower Easter week. Even though the end results haven't been what we would like, we have seen a great deal of progress and improvement in our two games. We have three chances to improve this week as we should get lucky with the weather and avoid the really bad stuff on Wednesday and Thursday! The JV game on Tuesday is located at the middle school just to the south of St. Thomas More.

That's the news, here are your weather and sports!
