Old Business

1. By-Law Edits

Mike led us through the by-law edits that were discussed and submitted through email. We made a few adjustments from what was initially presented. We are moving to voting on the scheduler and registrar positions the year before they take office. These would be ____-elect positions to help aid in the training and transferring of these positions that have a larger learning curve. We talked about how having a new scheduler and new registrar is a lot for the same year. Since we already have an odd number, we thought it would be better to switch the scheduler position to an odd year voting. For this one cycle, the Scheduler would be on a 3 year term.

2. Election Results

Registrar: Courtney Russell
Scheduled: Natalie Gonzales
Director 1: Todd Gregory
President: Troy Wiley

Dan compiled all of the results and Kelli checked/confirmed them to validate the results. Dan will reach out to the candidates and let them know the results this week. We will announce the new board at the Annual Meeting. Ryan Porter and Alyssa Barlow need to be removed from the bank account. We need to appoint a new treasurer. We will be thinking on this.

3. Annual Meeting Plan

March 25th, 6pm at Best Western. Troy ordered some beverages and light snacks. Troy is reaching out to Ryan to see if he is going to run the meeting. We plan on reviewing the season, presenting the by-law edits and introducing our new board members.

4. Disciplinary Actions

Following an incident on the ice at a regularly scheduled game, Coach Blake Buchanan has gone through the disciplinary actions within MLYHA. The discipline committee met with the executive board per our policy Coach Buchanan received an expulsion from volunteering in our association. This included representing our association in any manner including, but not limited to, volunteering, coaching, managing and serving on the board. Coach Buchanan has filed an appeal with PNAHA and that is currently in process.
