

2023 MASSACHUSETTS HOCKEY 2024 DISTRICT 3 PLAYDOWN RULES

Welcome Coaches,

The following rules have been established so the District Playdowns can run as smoothly as possible for the benefit of the players. A great deal of cooperation is necessary between ALL participants including coaches, players, parents, spectators, referees, local program reps, directors.

PLEASE READ CAREFULLY!

1) The Designated **HOME TEAM** (which is always the top team in the pairings) is responsible for the following:

a) **OBTAIN ICE TIME** to play the game. We strongly recommend 2 hours of ice be reserved. If an outcome cannot be determined because enough ice time was not reserved, then the Home Team will forfeit the game which will be listed as 1-0. The Location, Date, and Time **MUST** be mutually agreed upon by both teams. If an agreement cannot be reached, then the District Director overseeing that age group is to be notified immediately! He/she will then designate when and where the game will be played from ice times provided by both teams.

b) **CONTACT YOUR OPPONENT ASAP TO SCHEDULE GAME.** We highly recommend NOT waiting until the "play by" date to play the game. If your team is fortunate enough to have drawn a "bye", contact your District Director-in-Charge to find out who your opponent will be. Be Pro-Active!

c) **Use online scheduler to schedule your game**

This will send an email to the coaches, the level director and the referee supervisor for the rink.
