A fearless and highly athletic player, Jamie Pernecky is currently the Goalkeeper for the U18 Strikers ECNL team. Jamie is an intense competitor on the pitch. Her full body strength and ability to anticipate has been instrumental in leading her teams' success over the past 9 years. Jamie became passionate about soccer at the 8U level and that love of the game has only grown.

Personally, Jamie volunteers with various local charities through National Charity League, Pasadena Humane Society, TLC Veterinary Hospital, Union Station Homeless Shelters and Pasadena Ronald McDonald House and Children's Charities.

She comes from a sports background as her father played Division 1 football at UCLA and her siblings played D1 College volleyball (SMU) and D1 College football (DUKE). Jamie also plays second base for her club softball team in La Canada, CA where her team went undefeated with a record of 32-0, and won the USA Softball California State "B" Championship in 2017.
