

# TripFinder

TripFinder is a web based version of the trip entry software. It replaces infofinder le. The trip entry page is nearly identical to the current entry page and it draws from the same database. TripFinder is cloud hosted and therefore accessible from any location that provides internet access. From the link on the transportation page, sign in from the system. <https://busfinder.liberty.k12.mo.us/tripfinder/>

Log In

That will bring you to the main page that has current trip entries with sortable columns. You can sort it by date, Contact, School, Status. On the left is the Navigation Bar with several options that you will find useful:

- Search
- Field Trips
- My Submitted Requests
- Sign Out
