

## S25 Hockey Camp

The **S25** hockey camp will focus on the important skills of **Skating**, **Stickhandling** and **Shooting**. The first 15 minutes will be run by Tricia Luoma and include line skating by breaking down players stride and focusing on form and efficiency. The players will then be broken up into three (3) groups. Group one (1) will focus on additional skating and edge-work by Tricia. Group two (2) will focus on stick handling coached by Dave Shute, former Richfield stand-out and professional player who played briefly with the Pittsburgh Penguins. Group three (3) will focus on shooting utilizing the technology of the one-piece stick and coached by Todd Luoma with the help of Grace (Gophers), Emily (future Gopher) and Anna (Middlebury) Zumwinkle. The Zumwinkle girls are all college (or college bound) hockey players that have worked with Scott Bjugstad for the past four years. After the first 15 minutes of line skating, each group will rotate through each station every 15 minutes.
