## IMPORTANT DIRECTIONS

**PARENTS:** We're relying on you to measure your child and select a pants size for them. It's important you do this accurately, so they get pants that fit them properly. The table shown below will help you select the correct size. The easiest way to do this is to first get your child's waist measurement. Then select the closest inseam length, Youth or Adult. Remember, the Youth pants are made slimmer than the Adult ones. Finally, circle the Pants Size you've selected on the appropriate line on the front of this form.

 A line drawing of a pair of pants from the waist down to the ankles. A horizontal double-headed arrow at the top is labeled "WAIST". A vertical double-headed arrow on the right leg is labeled "INSEAM".	Pants Size	Waist	Inseam
	YS	22	17
	YM	26	19
	YL	31	21
	YXL	32	21
	AS	28	27
	AM	32	28
	AL	36	28
	AXL	40	27
Note: The "Y" or Youth sizes are slimmer cut than the "A" or Adult Sizes. All of the measurements are in inches. The inseam is only measured to the player's ankle.
