## PRESIDENT'S NOTE

Fort Wayne Amateur Hockey Association is now four years old, which allows us to have a unique perspective on where we've been but also where we are very clearly growing. Year over year since we formed, our players and, as a result, our teams are continuing to increase in their competitive level of play. Kudos to our entire team who is focused on developing players on their hockey path.

Now, more than ever, FWAHA is focused on continuing utilization of USA Hockey's ADM model for our player's development. This model offers age specific development through on and off-ice training. We continue to see player's advance on their own personal path through our various teams within FWAHA.

Whether your player wants to enjoy hockey as a lifetime sport or has goals of a professional career in hockey, we are excited to be a part of the process. Each of our teams and age groups offers a unique opportunity for your child to find the right level of hockey for where they are on the path. We look forward to developing additional programs as the needs of our players continue to evolve as well.

**NOLAN BLAKELY**

Position: Forward

Nolan grew up playing hockey at a young age, from his early days in Vancouver, Canada to Fort Wayne where he has played all the way from Mite to 16U with FWAHA. This year, he will play for both Carroll High School and the 18U Spacemen. He is a very versatile player who can play both forward and defense. Nolan demonstrates leadership both on and off the ice with a solid work ethic and respect for his coaches and fellow teammates. He plans to continue to play hockey in college where he plans to study either criminal justice or business in pursuit of a career in law enforcement. His family and friends wish him all the best as he proceeds into the next chapter of his journey.

**SIMON LEININGER**

Position: Forward

Simon, also known as Sherman/Sherm, joined the Carroll Chargers Hockey team his Sophomore year of high school. He started playing hockey at age 7, progressed to house league, and then onto Fort Wayne Komets Travel Hockey from 2013-2016, PSM Force U14 (2017), and PSM Force U16 (2018). Simon has always played right wing, speed has never been a problem for him. He has always said his end game in hockey was to go fast and have fun. When it's not hockey season, Simon cannot get enough of the lake and wake boarding, the kid never slows down. After graduation, Simon plans to attend Purdue University Fort Wayne, continue his internship at Aptera, and major in Computer Science. "Congrats Sherm, it's been a blast watching you play and cannot wait to see where the next step takes you!"

**BEN MULHOLLAND**

Position: Forward

Ben first got a taste of hockey from the YMCA sports camp. It started a love of the game that has continued over the years. He joined the Carroll Hockey team as a freshman where he played defense before moving to forward this year. Ben is also playing with the 18U Spacemen. When not on the ice, he enjoys playing video games and coding. After graduating, he plans to pursue an electrical engineering degree. Ben appreciates all his teammates and friends that he has made through this sport. He would also like to say a special thank you to Coach McComb who laid the foundation for much of his hockey career.
