

## Renegades Tier III Plus Team

The RMPD Renegades will be fielding Plus teams at the 2006, 2007, 2008, 2009, 2010 and 2011 age levels for the 2020 season. These teams are **for Renegades players only**. This program is being offered as an opportunity for Tier III hockey players to play additional games.

Confirmation of teams at each age level is based on interest and turn out.

### WHAT is Tier III Plus hockey?

This program is perfect for those players interested in playing more hockey, in addition to the NWHL league. These Plus teams are not eligible for the AHA I State Tournament. This year's teams will have additional practices, extra games (scheduled on an individual basis), and two local tournament. The tournaments will be scheduled by Renegades staff. Plus teams are not permitted to register for additional tournaments.

### WHEN are games played?

Games will be scheduled throughout the regular NWHL season. Our schedulers do their very best to avoid days when Renegades teams have practices or games booked with the NWHL league. There is no guarantee that games will not conflict with Renegades games or practices. **Regular Renegades games will take priority over Renegades Plus team events – NO EXCEPTION.** There is no way to predetermine the dates and times of games for these teams. Our goal is to schedule 4-6 games but the availability and cooperation with opposing clubs will determine the total amount of games each team plays. Moreover, all of our scheduling will be contingent on the most recent Covid-19 updates, restrictions, and guidelines.

### HOW are teams selected?

RMPD will have an on-line registration process for each team. The teams will be formed on a first come first serve basis. Teams will not be formed by talent only. These teams are intended to give the more serious player additional game experience. Our plus coaches are not allowed to pick teams or reserve roster spots.

Any player interested in playing on a Renegades Plus team must be registered as a Renegades player for the entire Fall season. The Renegades Plus registration must be paid in full for the season, payment plans will not be accepted. Any player refunding from the Renegades Fall season forfeits their position with a Renegades Plus team as well as any Plus Team fees paid.

### WHAT is the cost?

The cost for participating in the Renegades Plus program is \$410 per player (includes jersey). If a player is reusing their jersey, they will receive \$50 off. This cost includes all scheduled games, referee fees, game supplies, and practices. (Note: cost of program is in addition to the Renegades NWHL league fees). Any additional ice time, practices, games or tournament fees are the responsibility of the team parents to pay for and must not conflict with regular Renegades team schedules.

Registration will include two wait list spots per level. These two players will participate in all practices and possibly fill in, if needed, for games. The fee for the two wait list players is \$150 + cost of jersey (\$60).

### WHAT is the team make up?

Registration will be open for up to 13 skaters per team. Registration will take up to 2 players on a wait list. These waitlisted players will not be guaranteed a spot on the team, but may be called if a player drops out. One of the regular Renegades coaches will be the head coach for each team. Car pool requests will NOT be honored for these teams. Teams will have 1-2 goalies that will be placed by the Renegades staff.

***\*Please understand that as we carefully monitor the Covid-19 pandemic, our organization and staff is prepared to modify and even postpone seasonal play if advised by the state of Illinois, USA Hockey, or AHA I. The safety of our players, families, and staff is of the utmost importance.***
