**\*\*You will need to be logged into your rink account in order to register for sessions.**

Next, you will select the sessions that you would like to register for, once selected they will turn green.

*This page also allows you to select the skaters you are registering - if you have more than one skater you can register them from this page!*

Once you have all the sessions you wish to skate selected, then click the continue button at the top of the calendar.
