

SportsEngine Smartphone App Quick Guide

PETAWAWA MINOR SOCCER CLUB

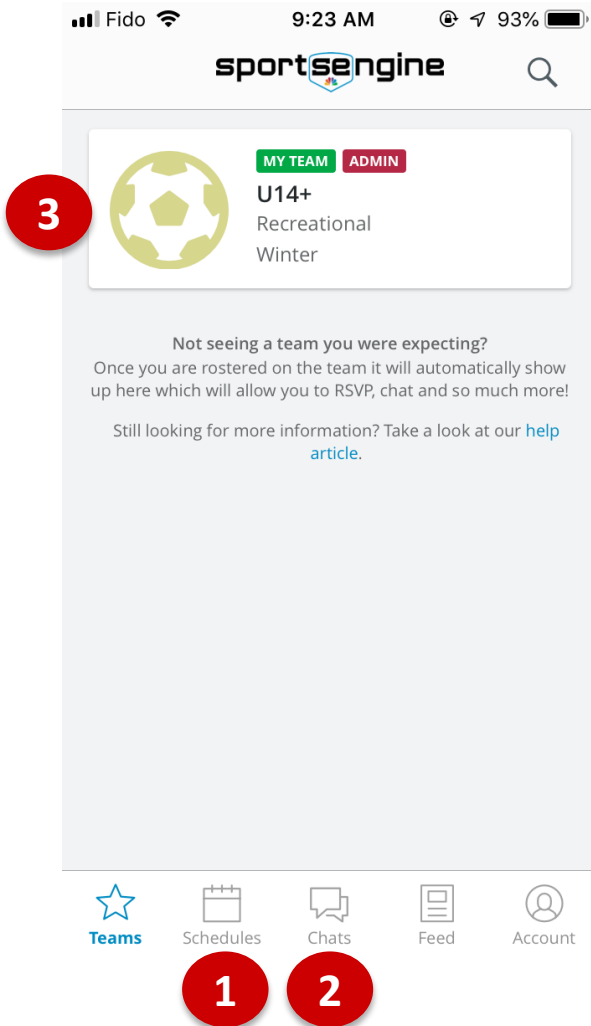

Find Your Team

Once logged into the SE app on your phone, you will see the teams that your child is registered with.

If you do not see your team, contact your Divisional Director

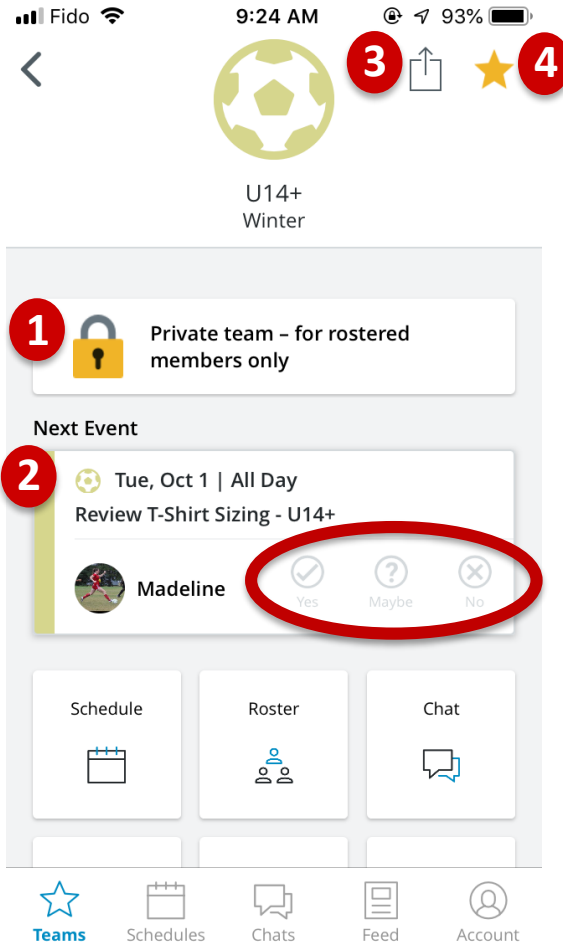

From the Main Page

If you are a member to several teams, you can select the schedule (1) or chat (2) from the main page, this will allow you to see all chats and all events in one place.

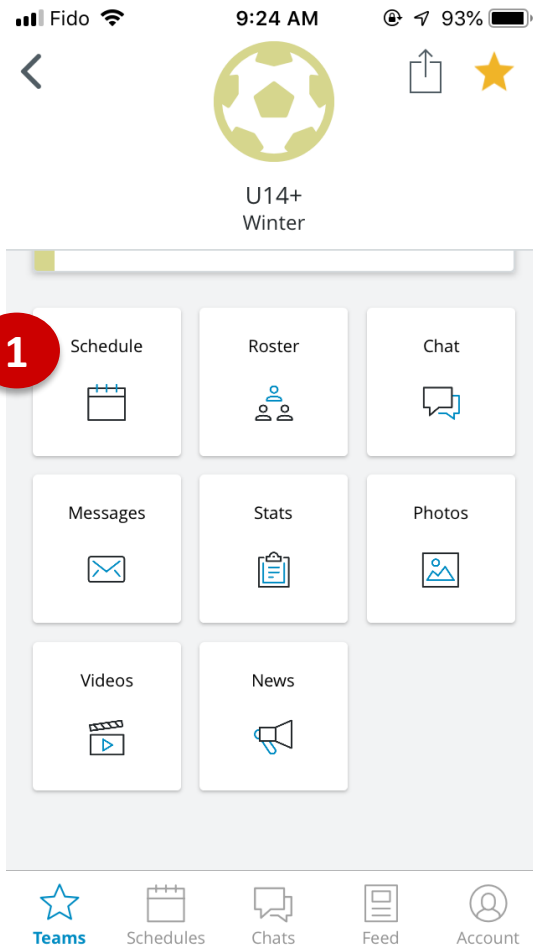

To work with one team at a time, select the team (3).

Team Page

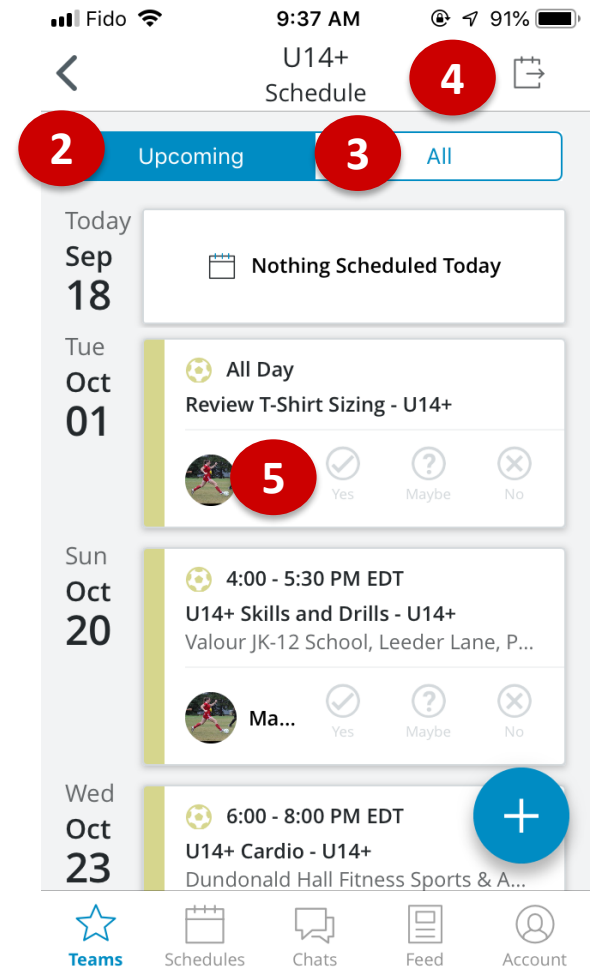

- (1) You should see the “Private Team” notice. This is a setting the PMSC has applied to ensure only members of the team can access the rosters (first and last names).
- (2) This is where you will see the next event that is coming up and allow you to RSVP from here.
- (3) Share the team – this will allow you to send this team to other family members or friends – they won’t be able to use any functions except seeing the schedule.
- (4) Unselecting the star will remove this team from your app.

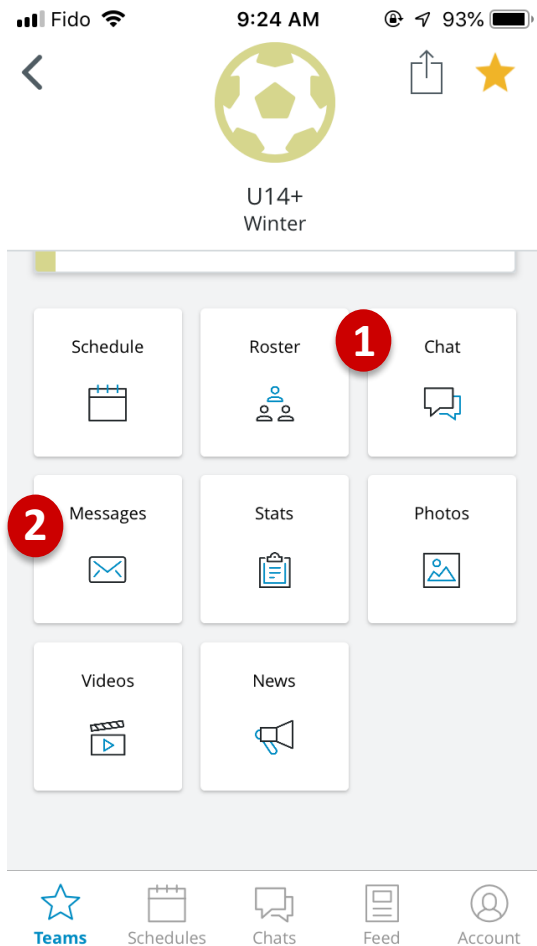

Schedule and RSVP

- (1) View all events specific to this team
- (2) View only upcoming events
- (3) View past events
- (4) Export to your calendar
- (5) RSVP!!!

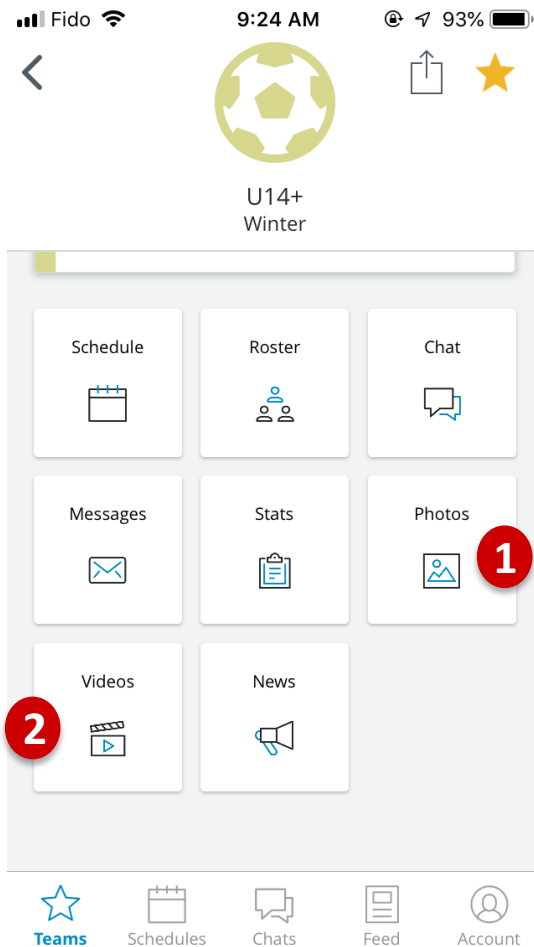

Chats and Messages

- (1) Chat with the entire team – great for carpooling!
- (2) Send a message to specific players or your coaches – great way to let your coaches know why you can't make a practice or to let them know you'll be late for a game

Upload Photos and Videos

- (1) Upload Photos only the team can see
- (2) Upload videos only the team can see
