Pee Wee Western Nationals Request for Sponsorship

Dear Sir or Madam,

Cloverdale Minor Baseball Association (CMBA) offers fun and competitive baseball programs for over 800 boys and girls between the ages of 5 and 25 in 13 separate Divisions, including our Challenger division for youth with cognitive and physical disabilities.

CMBA is committed to excellence through exemplary leadership and integrity. Our vision is to make a lasting impact on the personal development of our players. Through developing the qualities of citizenship, teamwork, and physical well-being, we aim to create a culture where kids love to play the game while developing into superior citizens. The joy they find in these experiences will last a lifetime.

Our club is proud to have been selected to host the Pee Wee Western Nationals in 2019, which will bring 120 of the best 12 and 13-year-old players in Canada to Cloverdale Ball Park in the middle of August.

Cloverdale Minor Baseball is well known throughout the baseball community for hosting large events and championships. We organize and host the largest single park tournament in Western Canada every year (the Boulanger) which features 60 of the Provinces top teams in 6 different divisions on the Canada Day weekend, and the largest 9U tournament in BC (the Andrews Invitational) every August.
