

VOLUNTEER CREDIT INCENTIVE PROGRAM

First and foremost, thank you for all of your volunteer efforts! In order for this club to be as effective and efficient as possible we rely on the assistance of our members, and to thank you for your service to the club we offer a few things to appreciate all you do! As a member of the Fergus Falls Skating Club you are required to complete a specific number of hours as noted on the Volunteer Requirements document. For someone who is always looking to help, it's easy to hit 25 hours of volunteer time! So as a way to say thanks we offer a \$50 credit to be used towards registration fees. See below for criteria:

Qualifications for \$50 Credit:

- Program effective date: August 2010
- One per family, per calendar year.
- Must be used the same year it was earned or 75% of the hours must be in the year redeemed.
- The credit can only be redeemed for registration fees, no cash value.
- Must fill out a volunteer tracking form. Form needs to be signed & dated by the volunteer, and turned into the Operations Director to receive a discount code, valid during registration and applied only to registration fees.
- Must be earned before credit is applied.

Policy on Show Admittance:

When volunteering, if your position requires you to miss at least 1/2 of the show, you will receive a wristband to see the remaining parts of the show for free. The only exception to this policy is that the Fergus Falls Skating Board of Directors and spotlight positions (we would like to see the same person(s) working the lights for most of the shows) will not be charged admittance, but are required to be available before, during, and after each show to work.

Volunteer tracking forms are located on our website and in the FFSC Office.

Thank You,

FFSC Board of Directors
