Subject: Grassroots Focus Group – Applications Open

As outlined in Information Bulletin [I2022-017](#), Ontario Soccer launched its new Strategic Plan (2022-2026) which took effect April 1st, 2022. The Strategic Plan will focus on three key areas of our sport - Govern, Grow and Develop - and is fully aligned with the same three strategic pillars and plan term as our national governing body, Canada Soccer.

Under this initiative within the Develop pillar, Ontario Soccer's Strategic Plan is committed to enhancing Grassroots Soccer by improving the way Ontario Soccer provides resources and support to our District membership and associated member Clubs.

To do this effectively, Ontario Soccer will be engaging in active consultation with the membership through the creation of a Grassroots Soccer Focus Group. This group will meet on a virtual basis and be responsible for supporting the assessment of currently available resources as well as strategizing on the development of new resources.

If you are interested in participating on this Focus Group, please complete the application via open via [this portal](#) which will **June 24th, 2022**.

If you have any further questions about the process, please contact [Bryan Rosenfeld](#), Interim Director, Development & Provincial Xcel.
