To Whom It May Concern:

We are C2 Attack Volleyball Club. We have a high-level boy's travel volleyball program. If you are receiving this letter, it is because one of your students is a member of the C2 Attack Boys' Volleyball Club.

The boys are required to travel to each event, due to traveling demands they may have to leave early on the day before and/or return the day after these events. Our boys live in 22 different states that participate on our teams, unfortunately, these events are not in their hometown or state. We are writing to ask that you allow this athlete grace and consider granting excused absences or even utilizing school sport absences for these events. Occasionally athletes must leave early or arrive late on the days around these events.

If you could please grant these C2 travel boy's grace and excuse their absences that would be greatly appreciated. They are great boys with supporting parents doing their very best to give their children the best opportunities to achieve high level in academics along with high level athletic exposure for their future college journey.

Attached is our C2 Boys 2025-2026 Travel Dates. Each boy will have one of these three schedules:
