GIRLS' STATE TOURNAMENT

November 29 - December 1, 2019

November 29, 2019

On behalf of the Girls'/Women District of Massachusetts Hockey it is my pleasure to welcome you to the 16U and 19U divisions of our State Tournament. The district wants to thank our hosts the New England Sports Center for making their facility available to us so we can house all divisions in a central location and allow girls' hockey players and fans to watch their friends compete as they do. This year for the first time, we will working with our friends from the New England District of USA Hockey as they run their Tier I 16U and 19U Regional Championships alongside us. We expect this will create a great atmosphere, and an outstanding opportunity for coaches to scout the top players from the area.

The events of this weekend would not be possible without the dedicated work of the many volunteers in who represent the Girls' Tournament Committee and have put in countless hours in the organizational process: Karla Aguirre, Jenny Cameron, Colleen Fagan, Peter Giuliano, Jen Glynn, Christopher Gong, Paula Gray, Chris Holden, Rachel Hutchinson, David Hymovitz, Bob Joyce, Michelle Lissner, Don McNeil, Jay O'Neil, Mindy O'Neil, Dave Pelletier, and Deb Pond.

We wish all our players and coaches the best of luck this weekend as they compete towards the state championship. To those teams fortunate to advance to the USA Hockey National Tournament we wish you the best of luck as you represent Massachusetts Hockey.

We expect everyone who enters the New England Sports Center for our event will be respectful of the players, officials and other spectators who are here to enjoy this event. We expect that spectators will be an encouraging voice for their own team and refrain from any comments directed towards the on-ice official or players on other teams. If you cannot meet these expectations, you can and will be asked to leave the facility under USA Hockey's Zero Tolerance Policy.

Results of the weekend can be found on posters on site at the New England Sports Center, at the Massachusetts website: www.mahockey.org, and can be followed on Twitter: @MassHockeyGirls.

Sincerely yours,

Mark Lissner

Dear USA Hockey member –

As the hockey season begins in full, we continue to receive reports of disturbing incidents involving racial and other derogatory slurs, behavior which is reprehensible and has absolutely no place in our game, especially around our children.

As you are all aware, USA Hockey has long had a Zero Tolerance Policy towards any type of abusive conduct, specifically under Rule 601 (e.3), which states that anyone who uses language that is offensive, hateful or discriminatory in nature anywhere in the rink before, during or after the game, shall be assessed a game misconduct penalty. For reasons which I cannot explain or understand, this penalty does not seem to be enough of a deterrent to stop this conduct.

I am issuing a directive effective immediately that anyone assessed a penalty under Rule 601 (e.3) will now receive an automatic Match Penalty, in lieu of the game misconduct penalty that currently exists, and shall be immediately suspended until a hearing is conducted by the governing USA Hockey Affiliate or junior league. The applicable Affiliate or junior league is required to conduct a hearing within 30 days of the incident and the individual may be subject to further discipline.

Further, our on-ice officials have protocols in place that address situations where a player is accused of saying something that violates Rule 601 (e. 3) but is not heard by the officials. While the officials cannot assess a penalty in that circumstance, they are instructed to notify the coach of the offending team and it is critical that the coach take immediate and appropriate action. Officials must also report the incident through the game reporting system, and Affiliates must review all incidents, whether penalized or unpenalized, to ensure proper application of the rules.

We also receive reports of racial harassment and discrimination among teammates; this behavior must be addressed through submitting appropriate reports through our SafeSport Program.

Parents and coaches, please take the time to address these issues with your kids. Helping educate them on these topics is an important part of our overall effort to eliminate any type of discriminatory language or behavior from our sport.

While the vast majority of our hockey games are conducted in the spirit for which they were intended, we must remove offensive, hateful or discriminatory language or behavior from our game. Please join me in stamping it out and ensuring we have an environment that is free from discrimination of any kind.

Thanks for doing your part and I hope this will be the best and brightest hockey season for you and your family.

Yours in hockey,

Jim Smith
USA Hockey President
