

Potential Exhibitor,

Welcome to the start of preparation for our 2026 Minnesota Football Coaches Clinic. I am writing to invite you to join us at the 2026 clinic. Last Spring we hosted over 1,500 football coaches during a weekend of learning and renewing old relationships. This year we will continue to partner with Coach Fleck and the Minnesota Gopher Football staff. We are currently in the process of securing some of the country's best professional, college, and high school coaches as clinicians.

This year's clinic will again be held at the Doubletree Hotel in Minneapolis along with field demonstrations at the U. of M. football complex. The dates of this year's clinic are March 28,29,30 2026. Our classroom presentations will take place at the Doubletree on Thursday March 28 and Friday March 29. On the field demonstrations will be held on Saturday March 30 at the Bierman complex.

We are excited to invite you to be a part of the 2026 Minnesota Football Coaches Clinic. Along with this cover letter you will find a reservation form that allows you the opportunity to be an exhibitor at the clinic. We have a limited number of booths. Reservations are available on a first come first served basis. Note that on the reservation form there is the date of March 1 to send in your completed form to insure that you will have your business information in our printed Clinic Manual. We are in the process of planning some new approaches to get as many coaches as possible in our exhibit area.

Our clinic staff along with Coach Fleck, and his staff, are committed to continue to develop one of the best football clinics in the nation. We are off to a great start this year, and pledge a quality experience in 2026. We thank all of you who joined us last Spring, and welcome you back for 2026! For any new exhibitors we hope you will join us for a great clinic experience.

Sincerely,

Dave Nigon,

Exhibit Manager

PS. If you are interested in being a Corporate Sponsor of our clinic, contact Ron Stolski (Executive Director of the Minnesota Football Coaches Association) at 218-829-1698, or r.stolski52@gmail.com.
