Hockey operations Committee:

Shout out to Bergo and Metz for covering for varsity tournament and practices. New practice jerseys are in for both teams. Boe ordered 100 pucks and tape for the locker room. Seniors designed the senior jerseys and order is placed – should be about 7 weeks until we receive them. SHL network wants to stream games for us but WIFI/hardwire needs to be installed at Addison Ice Rink. Chrissy will find out from Wanda at the Bruins to ask about their Wi-Fi and if that does not work – we will look into getting our own Wi-Fi.

Possible Carmel tournament – Dec 3 & 4th. Two games Saturday and Sunday. (for JV & Varsity)
