# ABOUT THE OPPORTUNITY

---

As we look to continue evolving and providing unique opportunities for our players, we are making amendments to the format of the 2024 Premier League Residential Camp. Players at selected age groups will be invited to join the camp to train and play within a team environment.

Our intentions are to make this a high level experience surrounded by former Premier League players, coaches, managers and elite level players.

Each age group will have a capped number of players with a UEFA Pro Licensed head coach to ensure a competitive high level experience.

Players will train for a minimum of 5 sessions and play in 2 competitive games against local opposition.

Coaches will design and plan sessions to challenge players and implement ideas for games.

# LEARN, DEVELOP, ENJOY

Players (boys and girls) from 2014 - 2010 are invited to attend and will be provided with 10 hours of elite, technical, tactical, physical and psychological training.

1 game and 1 training session per day will allow former Premier League players, coaches and managers to plan, prepare and develop sessions to push players out of their comfort zone and develop through the camp.

Below you will find a tentative day by day plan for the camp with trainings, games and Q&A's with the UEFA Pro coaches.

*Kevin Ball*

Former Premier League player, coach and manager for Sunderland.

*Alan Smith*

Former Premier League player for Manchester United and Leeds United. England International.

*Gary Teale*

Former Premier League player for Wigan and Derby. Scotland International.

*Paul Wilkinson*

Former Premier League player for Everton with over 650 professional appearances.

*Julian Dicks*

Former Premier League player for West Ham United and Liverpool.

*Russell Slade*

Professional manager for over 25 years and has coached over 850 professional games.

*Danny Collins*

Former Premier League player for Sunderland and Stoke. Wales International.

*Allan Johnston*

Former Premier League player for Sunderland and Scotland International.
