Why I am Running for the Board	I am running for the FYHA board because I am passionate about the community of Farmington and the game of hockey. I grew up in Farmington and played my youth and high school hockey here. I moved away after graduating high school and 20 years later I have built a home here intentionally to raise my son where I grew up. This community and our youth/high school hockey programs made such a positive impact on my life and I would like to volunteer my time and energy to help give back. Specifically, I want to help advocate for the development of players (both skill wise and growing their love for the game) and helping to do whatever I can to keep players here in Farmington through the high school level.
Other information you should know about me	I currently have a career as a Sr. Director of Sales for a Fortune 300 company where I serve as a coach for a sales team. My abilities to execute
