

# Passion is our energy.

From Butte to Billings, Havre to Hebgen, we work 24/7/365 to build stronger communities through the production, generation and delivery of electricity and natural gas. We're proud to make sure your lights and heat come on, but that's not everything we do. We also add critical infrastructure that allows our communities to grow. We partner with people in our communities to increase the reliability of our service. We help customers save money with energy efficiency programs, products and rebates. And we remain committed to decreasing emissions until we reach net zero.

We're passionate about the communities we serve, and meeting the needs of our customers today while working to deliver everyone a bright future.
