

## John Marshall Softball Fundraiser – 2024

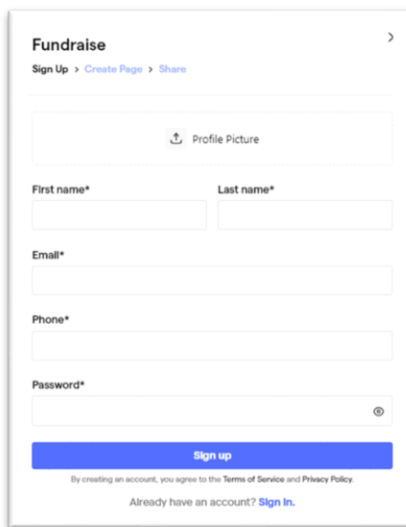

We are using the Givebutter platform for this year's fundraising. Through the Givebutter platform we have created our campaign, where supporters can donate to our JM Softball program. Our goal is to raise \$4500 to pay for program expenses including away game meals, practice/game equipment (bats, catching gear, balls, helmets), new uniforms, field improvements (windscreen, cage net).

All donations are 100% tax deductible. Fees charged by the Givebutter platform will be clearly identified (3% + transaction fees if applicable). Supporters will have the opportunity to cover the fees (optional). Payment options include credit card, venmo, and paypal.

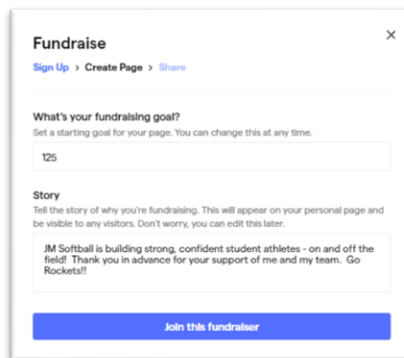

If a supporter wishes to pay via check – they can make the check payable to John Marshall Softball and you can turn in the check to your coaches. In this case, there are no transaction fees.

- Use your device and go to: <https://givebutter.com/jmfastpitch24/join>

Story

JM Fastpitch family and friends, thank you for all the support over the years. Your support of our players, coaches, and program allow us to offer a positive experience for all the girls on our teams. Fundraising for our program is a necessary evil, as participant fees and school support does not cover all expenses of our team. Our goal is to offer our student athletes an experience and to develop strong, empowered young women.

John Marshall Fastpitch booster club operates as a booster club within the Rochester Public School district (ISD 535). All donations are tax-deductible and you will receive a receipt in your email. If you are unable to donate please share our page with family and friends.
