SPONSOR

Dear SPONSOR,

On behalf of our more than 325 youth players, their families and our dedicated volunteers, thank you for your generous support of Yucaipa Valley National Little League this season. The kids had an outstanding season because of the financial support your sponsorship provided, which also allowed us to purchase new equipment for our teams and our facility at the 13th Street Sports Complex. Over the course of the season, I have witnessed many terrific moments of great athleticism and teamwork, leadership, loyalty and courage from our ballplayers. This was possible because of the support you and our other sponsors provided us – giving us the foundation to build a strong season and community of volunteers.

We will continue to strive to enhance the benefits of sponsorship for our community of supporters. This year, we used social media and our new website to bring our sponsors new exposure to our players, volunteers, parents, grandparents and other fans of the game during the season. For example, all sponsors were showcased on our website (www.yvnll.org/sponsors) and also on a banner at the fields. We welcome any feedback you have about your sponsorship experience with YVNLL. To provide feedback, or to request an official acknowledgement of your sponsorship for tax return purposes, please email us at yvnll.sponsorship@gmail.com.

Thank you for being a part of our team and helping us make this a great season for our players. We are hosting All Star tournaments beginning the week of June 24th at our fields at the 13th Street Sports Complex. We would love to have you join us in cheering on the YVNLL team as they compete!

Best regards,

Robbie Evans
YVNLL President 2019-20
