### 2017-18 Team Outlook

Coming off a great season last year as the Baron Cup II champions, we are excited and ready to get back to work this season. We have laid out a series of goals that we hope to achieve as a team this season.

Among others, those goals include being competitive in the White North division as well as defending as Baron Cup II champs.

We are a relatively young team with only one Senior, and some new players in big roles. If we can maintain strong leadership, stay healthy, and stay disciplined, we should have a good season
