

Back The Cats

August 8

We have a great evening of live and silent auctions, a speaker, and food for the annual introduction of our players and celebration of our football team. We're changing things up a little compared to previous years and it's an evening you won't want to miss.

Keynote Speaker

Jonathan "Coach Himey" Himebauch

Jonathan Himebauch "Coach Himey" played offensive and defensive line at USC where he was a team captain. He played professionally in the NFL, NFL Europe, Canadian Football League, and XFL. He has successfully coached at the High School, Junior College, Division 1A in the Power 5, and Professional levels. He has 6 professional football championships to his resume.

Coach Himey currently resides in the Colorado Springs area and just completed coaching the Offensive Line for Bob Stoops and the Arlington Renegades. He has become the only person to win an XFL Championship twice ('01 & '23.)

Coach Himey is also Founder & CEO of 5asONE where athletes are instructed in the basics and fundamentals of body position, run blocking, pass protection, and are educated on clues, keys, and tips to better prepare them and their teammates for gameday.
