BBA INSTRUCTIONAL AND ROOKIE LEAGUE PROGRAMS

Boys Baseball of Aurora is especially proud of our Instructional and Rookie League programs. Our Instructional League is for 5 & 6 year olds to learn the basics of the game in short sessions to help spark an enjoyment of baseball. The Rookie League is for 7 & 8 year olds who within the framework of a team will be introduced to the fundamentals of the game.

2025 BBA FALL BALL

After another successful summer session, BBA will be offering Fall Ball which is intended primarily as an instructional league. It will feature a continuous batting order, increased pitching rotations, and teams comprised of friends or current teammates. There are no tryouts for Fall Ball. Registration opens in August.

2026 BBA AURORA STARZ TEAM TRYOUTS

If your child would like to try out for the 2026 BBA Aurora Starz, there will be free, open tryouts for two weekends in the beginning of August. Online registration will be available and emails will sent to families in the League. BBA requests that all players register prior to tryouts to reserve their spot. The program is entering its 18th year and continues to support the in-house recreational players who are looking for more baseball. BBA Aurora Starz offers teams at the 9U, 10U, 11U, 12U, 13U and 14U levels. If you have questions about the program or would like additional information, please reach out to a BBA Starz Committee member!

2025 BBA MANAGERS

The BBA Board of Directors would like to recognize and thank all of the managers for this summer season. It takes an incredible amount of time and dedication to manage a team in this organization. We greatly appreciate all their efforts on behalf of the League.

ADAPTIVE RECREATIONAL BASEBALL LEAGUE

Early in 2014, Boys Baseball of Aurora was presented with a concept to offer a service to the youth in our community that have cognitive and/or physical disabilities that prevent them from otherwise participating in our League. We found that these individuals were vastly underserved regarding recreational baseball in the area. Greg Chrisos, the former manager of Teamsters and Lyon Metal in the Majors, approached the Board of Directors about rectifying this situation. Upon approval from the Board, Greg began working with various Board Members to establish Boys Baseball of Aurora's new Adaptive Recreational Baseball League. We are extremely proud of the impact it has already had on both its participants and volunteers as well as the growth it has shown in ten seasons.

This is a program for youth with cognitive and/or physical challenges, helping them to enjoy participation in an athletic environment structured to their abilities. More than the skills of baseball learned through the experience, the value of ARBL is found in the proven therapeutic and socialization benefits of participating in sports, the strengthening of participants' self-esteem, and the disciplines of teamwork, sportsmanship and fair play, which are hallmarks of BBA. Adaptive Recreational Baseball League (ARBL) provides a structured, athletic activity for all youth in Aurora and the surrounding communities. Playing with the same equipment on the same fields, ARBL participants can experience the joys of pulling together as a team, being cheered, and earning awards for their achievements.

Boys Baseball of Aurora looks forward to continuing to develop this League and watching it expand in the upcoming years. This is yet another way we are trying to grow and to better serve our community. If you have a son or daughter with a cognitive and/or physical impairment you would like to have participate in the ARBL, we always take new signups. If you are interested in being a volunteer buddy, we would also welcome your participation in our League.

GAME #4 ARBL ALL-STAR GAME
