

Vail Mountaineer Hockey Club
March 9, 2021

Fellow Members,

I'm writing to recommend Kristi Hill and John Michael Liles for a second term on the Vail Mountaineers Hockey Club Board of Directors. They have both served the club well in their first terms - and that experience will be extremely valuable to our club as we look to expand our programming with the Huskies and the WCHL.

Kristi is a well rounded Hockey Mom, with sons in the Huskies Hockey Program, Bantam and Squirt programs. She understands the challenges that come with every level of hockey. Before being on the Board, she served as a Team Manager for several years, and she has been the club Registrar for many years as well.

John Michael Liles hardly needs a recommendation, but here is mine anyways. John had an incredible hockey career at Michigan State, Olympics, World Championships, and 836 games in the NHL for Colorado, Toronto, Carolina and Boston. He is often seen on the ice with our players and coaches, he is currently our club Treasurer, and leads Colorado Avalanche Grow the Game program.

Please join me in re-electing these two outstanding people to serve another term on our Board of Directors.

Sincerely,

Kevin Sharkey
Board of Directors, Secretary
Vail Mountaineers Hockey Club
