- Senior Banners cost – Booster to subsidize costs for all posters
- Volunteer final count – 5 families did not fulfill
- How to handle Soccer Tots volunteering next year? – Coach Tyma to follow up with LSC on specifics regarding dates, times, etc. Do we look to make this a part of volunteering? Or create a new volunteer spot. Look to get a decision before Spring Tots starts up.
- Work on a budget for next season

**Treasurer updates:**

- Reconciliation of checks and fundraising accounts is underway. Emails will get to families in the next couple weeks. Check collections will happen at banquet check-in.

- Sponsor checks have been cashed, sorting through those

**Banquet updates:**

- Looking for 1-2 volunteers to arrive at 9:30 to help setup
- Deposit for next year?

**Coordinator & Other updates:**

- Eric is following up with the last families to turn in Coupons Cards
- Sponsorships: Shawn wanted to mention that LSC gave us a full Semi-Pro sponsorship midway through the season. Also looking at adding Lakeville VFW sponsorship.
- Team Dinners: Meal nights went great, Erin and Ann handled, looking to add volunteer for next year
- Red Card Cancer:
  - Toppers and Cream of Cakes were generous with sponsorships, perhaps look to fold them into overall sponsorships
  - Thanks to everyone for helping out, we raised \$4235 among 27 families for ACS
  - Looking for new ideas for next year's event – continue yearly? other schools may do it? Want to keep continuity with our event and perhaps grow event. Consensus was to keep moving forward yearly.

**Next Booster Meeting:** January, or sometime over winter - TBD
