Make an appointment: (414) 607-5280

Sports Medicine Program

- We focus exclusively on youth through collegiate athletes
- Team of experts include:
 - surgical sports medicine physicians
 - orthopedic surgeons who specialize in the hand and upper limb, spine and trauma
 - licensed athletic trainers
 - sports physical therapists
 - sports psychologists
 - sports nutritionists
- For quick access to appointments or medical advice from our experts, call the sports line at 414-604-7512, option 3 between 8 a.m. and 4:30 p.m. Monday through Friday

Sports Concussion Program

- Nationally recognized
- Multi-disciplinary care team diagnoses and treats acute through complex concussions
- Computerized baseline concussion testing available
- Rapid access for neuropsychological evaluations
- Call the concussion line at 414-337-8000 between 8 a.m. and 4:30 p.m. Monday through Friday to speak with an expert

Sports Psychology

- Our Sports Psychologists, Dr. Matt Myrvik and Dr. Nick Young, are here to help athletes recover from their injuries, maintain motivation and successfully return to sport. They also teach athletes skills to improve performance and mindset.

Make an appointment: (414) 337-8000

Matt Myrvik, PhD

Nick Young, PhD

Female Athlete Clinic

- Focuses on how nutrition, hormonal balance and exercise habits can influence injury and recovery
- Includes a multi-disciplinary team including a sports medicine physician, nurse practitioner, registered dietitian, sports psychologist and licensed athletic trainers

Kimberly Hornbeck, MD

April Benoit, APNP

Dance Medicine

- Specialized care for the unique demands put on a dancer's body
- Multi-disciplinary team includes sports medicine physicians, licensed athletic trainers, sports physical therapists, sports psychologists and sports nutritionists
- Call (414) 604-7512 to schedule an appointment

Sports Nutrition

- Sports nutrition counseling to help families and athletes who have questions on proper nutrition for peak performance and injury prevention.
- We help set up your athlete for success when it comes to hydration and fluid recovery, preventing early fatigue and honest discussions around supplements.
- Make an appointment by calling (414) 604-7512

Sports Physical Therapy

- Focus on recovery and returning to competitive performance by improving agility, balance, endurance and power
- Our sports physical therapists focus on returning school athletes to play as quickly as possible, but also ensuring we do not compromise their long-term health
- Make an appointment by calling (414) 607-5280
