\*players who participated in Fall 2020 training ("returning players") have already paid this fee; "new players" refers to those that did not participate in Fall training.

- **Membership Registration Fee:** For families who did not participate in Fall training, the 2020-21 season membership registration fee (\$200) will be required. This fee is only paid once for the entirety of 2020-21 season, reserving a players' spot at the club for the entire year. Any new player joining the club this spring is expected to pay this fee.
- **League and referee fees** are for participation in CIYSL league play. Teams that are not able to participate in CIYSL play due to not having enough players register, will be offered a refund of these fees or a credit toward the Fall season.
- **IFC Spring Invite:** All IFC teams will be registered to participate in the Spring Invite (May 7<sup>th</sup>-9<sup>th</sup>). (As is normal for the Spring Invite, there are no brackets in the HS girls age groups.)
- **Tournament Travel:** Tournament play will be allowed this Spring, but the club will not be deciding in advance how many and which tournaments teams will register for. **Decisions will be made at the team level.** That is, parents will consult with each other, team coach, and Director of Coaching to decide on tournament attendance. All costs will be handled at the team level, by tournament, and hence are not reflected in the dues noted above. Club staff (DOC, ADOC, and Admin) will assist Parent Reps with planning, registration, etc. once those decisions have been made. Note that as in past seasons, u10 and under age groups will not travel for tournaments.
- 2020 Spring training season is defined as 2.5 months (starting March 22<sup>nd</sup> and running through May 28<sup>th</sup>)
- 2020-2021 season = Monthly fees for all u12 and under age groups = \$40; for u13 and up age groups = \$60.
- Monthly fees for u13 – u15s are higher as they train 3 times per week, whereas younger age groups (and HS boys this season) only train 2 times per week.
- Due to the timing of the HS Girls season, we are not planning to have teams at this age level this spring.
- For HS boys, we will do our best to schedule around the local high school season. Our initial plan will be for IFC HS boys teams to train twice per week, starting the week of March 22<sup>nd</sup>.
- Families will be given 2 payment options, both required at time of registration: pay in full online (via SportsEngine) or pay in full offline (via cash or personal check)
- Although the membership registration fee is non-refundable, refunds/credits may be provided for a month in which training is cancelled due to additional safety restrictions put in place by the state.
- **Scholarships:** are available for players who show financial need. Scholarship Applications must be completed and turned in by the first day of training (March 22<sup>nd</sup>). Families who applied for scholarships in Fall 2020, do not need to apply again. More info and the application form can be found on [our tryouts webpage](#).
