WHERE EXCELLENCE IN BASKETBALL, HARD WORK, & FUN COME TOGETHER

The Minnesota Stars are a place where WE use our experience to PROMOTE YOU! Our primary goal is to help you improve your basketball skills & provide a COMPETITIVE environment in which you will GROW in through HARD WORK while having FUN in the process!

EST. 1998

The Minnesota Stars are an organization dedicated to providing a first-class basketball experience for girls in the state of Minnesota and surrounding areas.

We host teams at age levels 4th grade - 11th grade. At each age level we have anywhere from 2-4 teams in a given year, & in 2025 specifically we will have nearly 30 teams!

*Entering our 27th year of existence, you will see our commitment to: **developing our player's skills**, helping them **gain exposure**, all while **creating positive experiences** and **memories** both on/off the court for a lifetime to come.*

OUR GOAL - MATCH DESIRE WITH OPPORTUNITY FOR EVERY PLAYER

We have players competing collegiately across all levels, spread out all over the country: DI, DII, DIII, NAIA, & JUCO!

Our goal is to help support EACH player and family in their quest to ultimately find the *best overall fit*, not necessarily just the highest level! We want all of our players to **THRIVE** on their personal journey!

GOPHER CONNECTION

As one of the largest ELITE level AAU Clubs in the Midwest, we are highly respected by high school coaches, club coaches, recruiting services, & college coaches all over the country.

As a member of the adidas 3SSB Circuit, we play in the BEST TOURNAMENTS anywhere in the country at FIRST-CLASS FACILITIES.

Our "Gopher Connection" is just one example of how we use our EXPERIENCE to PROMOTE YOU! We have alum all over the USA competing!

COACHING STAFF

Our coaching staff is composed of top notch college and high school coaches, and our coaches have dedicated themselves to teaching young women life lessons through the game of basketball.

We stress fundamentals & player development. We want the girls to go back to their school teams having not only improved their basketball skills but also their overall love for the game as well.
