*MHSA Speech and Drama Committee will follow immediately after the MFEA adjournment.*

**The Montana Forensics Educators Association highly recommends attendance and participation at this annual meeting by all Speech, Drama, and Debate coaches.**

Committee meetings are structured so as to allow coaches to have a direct voice in reviewing and updating the rules of our competitive events. Additionally, we review the events of the year and discuss, clarify, and solve any rules questions. Each year, we also work together to build a calendar of tournaments. Together, MFEA coaches collaborate in a continuing effort to ensure that Montana Forensics provides an educational program for students as well as a strong competitive activity at local, state and national levels.
