GAME DAY EXPECTATIONS

We have received a couple of questions regarding notification in our last newsletter that only coaches that are certified on file with the CCYFL are permitted on the players benches, cheer sidelines, or on the playing field. We did want to clarify that certified staff includes our Team Moms and Photographers who also completed all of the same paperwork and training as our coaches to prepare for the season. In addition, the rules are specific to being on the players bench or "coaches box" and playing field during the progress of an officially scheduled CCYFL game. If you have any concerns regarding sideline participation and activity please address with your head coach for guidance and clarity.

Thank You to Justin Perry for his electrical services provided to LMYFC, arranging a sponsorship from Lebanon Electric, and for also stepping in to donate audio equipment. When we realized within 24 hours of our first home game our equipment was missing, Justin did not hesitate to donate equipment to help us out for our games so we did not miss a beat.
