# COACH LOMBO

It's hard to believe after such a tremendous season last year, that we are already buckled up and ready to go for 2022! This group of Seniors and their parents have poured their hearts and souls into this program for the past 3 years, so I hope we bring forth a product that makes you all proud. This year we are trying to focus on handling the task at hand and taking in every day as the great opportunity that it presents.

The family these boys have created together is something special, so I hope they appreciate those relationships they have built during this time. One of the most exciting things these kids get to do is play in front of the best fans in the state on our home field, so all we ask of you is that you get it rockin' every time you are at a game and you have a blast. We want you singing, dancing, and most importantly, cheering on these boys because they have worked their butts off for you throughout this year! Let's have a great 2022 and I cannot wait for these nights under the lights!

**They truly are special!....GO CRIMSON!**

**- Lombo**

## DR. BECKER

### GOOD EVENING, CRIMSON FAMILIES!

Everyone has their reason – their “why.” For some, it is being part of a team – the experience of being a part of something bigger than oneself. For others, it is the grinding process of working together and pushing one another through competition with

toughness and discipline. It could be in honor of loved ones – family, coaches, and community members. This much is certain: each member of Crimson Football has their “why,” and the 27th season of Crimson football has all the signs of something very special.

The 2021 season was unforgettable, bringing our first-ever trip to the Prep Bowl as our community packed the stands at U.S. Bank Stadium! And the work our players and coaches have put in since last winter was as impressive as ever; their dedication evident to achieving greatness while writing a new chapter to strengthen the tradition of excellence that is Maple Grove Crimson Football.

At Maple Grove Senior High, we teach, model, and reinforce for our students **The Crimson Way: Motivation, Gratitude, Scholarship, and Honor.** It is no coincidence that these practices are also embedded within the game of football. Through commitment to a team one can learn – regardless of race, age, faith, orientation, or any identity characteristic – the values of trust, selflessness, character, dependability, responsibility, accountability, and more. Football truly is a unique opportunity for our differences to be molded into unity,

where a collection of students dedicated to a common goal can unite behind that purpose and embrace one another as brothers. The strongest of bonds are forged through adversity and love abounds through that which divides us. So it is with Maple Grove Crimson football, and I thank each and every player, coach and family for giving of yourselves for a common purpose which can make us all better.

On behalf of Maple Grove Senior High, I want to thank our families, community members, business leaders, and MGYFA for your tremendous support and generosity. There is a direct correlation between the strength and positive attributes of our football program with the overall spirit of our school. Without your support, this would not be possible.

After the conclusion of every game, please stay and watch our players shake hands and greet their opponents with class, and then return to our stands to sing the “Crimson Fight Song.” It is a moving display of gratitude, appreciation and unity, and it is a great example of what makes our program special.

So, the 27th season of Crimson Football is here, and we could not be more excited! For everyone here at Maple Grove Senior High, I sincerely thank you for your support.

## MAPLE GROVE YOUTH FOOTBALL

### Dave Malenke Youth Football Night

Dave Malenke Youth Football Night is named in honor and remembrance of one of the most influential members of the Maple Grove Football community – David Dale Malenke – who passed away in March of 2021.

Dave helped establish Maple Grove Youth Football in 2011 and spent the next decade volunteering endless hours as a coach, board member and mentor for both the youth program and Maple Grove Senior High School football. Dave was a man of action and integrity; he lived an exemplary life of servant leadership, and his spirit of service above self remains a cornerstone of MGYFA's existence. While Dave's impact on football in our community cannot be overstated, his best trait was being a kind and loyal friend to all.

As well, the David Malenke Servant Leader Scholarship was established in his honor, and will benefit a graduating Maple Grove High School football player who best exemplifies the character traits most important to Dave during his life. More details about this scholarship are available at <https://yfb.mgyfa.com/malenkescholarship>.

## BOOSTER CLUB

The Crimson Football Booster Club is a non-profit organization providing benefits to the Maple Grove Senior High School football program, which supports more than 200 student athletes each year. Building and maintaining a championship team, while also financing the scoreboard project that benefits all Maple Grove Senior High students and the community, requires financial support from donors. Your donations, which are tax-deductible, provide the following services to support the entire Maple Grove Crimson football program.

### This includes:

- Uniforms and equipment
- Concussion testing for athletes
- Additional coaches and coach training
- Updated technology (i.e. new video scoreboard and cameras--plus we need to purchase new Live Stream equipment and Instant Replay)

Please consider giving to our organization and check with your employer as they may have a matching grant program. You can give via our business Venmo account (@Crimson-Football; please state '2022 Donation' in the notes) or you can give via our web site here [crimsonfootball.org](http://crimsonfootball.org). Thank you for supporting Crimson Football!
