

## NHARA STATE TEAMS

A State Team has been named each year since 1973 to provide recognition for the outstanding racers in New Hampshire and to support ski racing in the state by encouraging the team's participation in NHARA races. The privileges extended include free entry to all NHARA races and, with the compliments of Ski New Hampshire and its members, free skiing at most New Hampshire ski areas.

A State Development Team has been named for several years to provide recognition for the top junior racers in New Hampshire. These racers pay only the "head taxes" to enter NHARA races.

SGs are an exception. All team members must pay full fare for SGs.

All those named to State Teams shall have been licensed USSA Alpine Competitors and NHARA members the previous season. All those named to State Teams shall hold a current USSA Competitor license and a current NHARA membership, training and racing full time for a NHARA club in the current season, by the October 15th, 2018 deadline. There will be no exceptions. You will not be considered for a state team if your memberships are paid after 10/15/2018.

All State Team members must have started at least 3 NHARA races during the previous season, be current members of a NHARA Club training and racing for that club in the 2017-2018 season, and be prepared to participate in at least 3 NHARA races during the upcoming season. (MJ's race, the Soper races and the UNH race do not count.)

All Development Team members must have started at least 4 NHARA races during the previous season, be current members of a NHARA Club training and racing for that club in the 2018-2019 season, and be prepared to participate in at least 4 NHARA races during the upcoming season. (MJ's race, the Soper races and the UNH race do not count.)

Athletes claiming IND status are not eligible for selection to any of the NHARA State Teams.
