## Trygve Carl Skoglund Spirit Bell

In the memory and spirit of Trygve Skoglund, class of 2000, a bronze bell proudly rings at Bellevue High School football games. Bellevue athletes continue the tradition of ringing the Spirit Bell as they enter the field on game night. A school landmark, this bell symbolizes the passion and dedication of the players as they continue the proud tradition that is Bellevue Football.

**WATCHES ARE AMAZING!** These tiny wonderous machines help mark milestones and celebrate life's journey. When I was 13, I received the coolest watch: A Pulsar that lit up red when you hit the buttons. The astronauts in 2001: A Space Odyssey wore that watch! I still have it. Later, when I graduated from the UW, my parents graduation gift was a Rolex. They added a meaningful engraving on the back. I still wear the watch with a sense of pride, accomplishment, and much gratitude. Timepieces become treasured heirlooms and my passion for them is something I love to share. At Goldfarb Jewelers we have the most complete collection of sought-after watch brands. We encourage trade-ins and have special incentives to make now the perfect "time" to put a new watch on your wrist; or the wrist of someone you love. I invite you to visit us soon. —Steven Goldfarb
