

LCYBA FALL BALL SUPPLEMENTAL RULES

Lcyba Fall season will follow all our general standing rules including these supplemental rules. These supplemental rules are put in place to assist out teams in being able to field a team, get as many reps in as possible, and work on the transition of their possible new field distances. Fall is set up for teams to be able to continue to play, and to be able to develop their players. Fall is much more relaxed than the Spring is for this reason. Fall is really on off season workout for the players to keep fresh, develop their skill set, and have fun.

Supplemental rules:

Registration: Fall is set up by a team registration format, not by individual player registration as is Spring ball. Team fee is \$250 to participate in the Fall season, and for umpire fees, it is pay at the plate to the umpire. Teams are to pay the umpire at the plate before the game. Fees are disclosed each season as there may be adjustments to what the fee may be.

Rosters: Fall Ball is open roster (within your division) to assist with being able to field 9 players to make a game. We understand that players will be playing multiple sports during the fall, so we offer the open roster format to ensure games are able to be played and not forfeited due to a shortage of players.

Clarification- A team is only able to pick up a player from another team within your age division or below that is currently playing in LCYBAs Fall season. This is why rosters are requested in a paper format to keep on file incase there is a question of a player's eligibility. Rosters are not loaded online, however once a coach is assigned to a team, they can load their roster online if they would like to do so.

Age eligibility: Fall is the start of the new Fiscal Baseball season which runs from August 1 through July 31. A player may not turn the next age before May 1 of the fiscal season you are in. Ex. Aug 1, 2013 – July 31-2014, a player may not turn the next age before May 1, 2014 in order to be eligible for their respective age division. Ie. A player turns 12 April 15, 2014, this player must participate in the 12u division starting August 1, 2013.

Umpires: All fields will be run on a one-man umpire mechanics during the fall, this is again to so many other sports running and leagues being short on staff.

Baseballs: During Fall teams must provide at least 1 new ball each game and feed in as needed.

Baseballs that are eligible for play are ANY PONY STAMPED BALL.

Scores: Scores will be updated on a weekly basis as in fall there are not playoffs due to such a restricted schedule due to field availability and to allow as many teams as we can fit into the schedule with the time slots allowed. 1st and 2nd place team at the end of the scheduled season will receive awards.

Finally, as a reminder, Fall is set up to be a developmental, transitional season. Let's not lose sight of this.
