

**Lakeridge High School, Pacer Baseball Inc.
First Annual Gala April 15, 2023**

...leveling the Field for the Future

**PLAY IT
FORWARD**

Dear Families and Friends of Pacer Baseball,

The Lakeridge High School Baseball Program will launch the 2023 baseball season with our 1st annual fundraising Gala, "**Play It Forward**," April 15th, 2023. We are pleased to host this unique evening of cocktails, dining, and fundraising at Celebrate Catering Event Center in Lake Oswego. Included are both silent and live auctions, generously donated by local businesses and individuals.

Sponsors, Silent Auction, Private Parties, and all Live Auction items will appear on the www.pacerbaseball.com website, in the Gala program as well as video presentation throughout the evening. Sponsorships and auction donors are afforded multiple exposure opportunities.

As a 501(c)(3) organization, your donation to **Pacer Baseball Inc.** is tax deductible. Event sponsorships are available at several levels beginning at **\$1,000**. (See attached)

Our goal is to involve the entire community through raffles, wine tasting, sponsorships, advertising, donations, and volunteering opportunities.

Our focus is to recognize our youth baseball participation, our coaches and community leadership, our faithful parent audience, and support for our high school sports.

Our hope is to renew an awareness of the amazing gifts and talents of our students who participate in our programs, and provide them with facilities and equipment equal to the rival teams in our league.

Please consider donating to our 1st annual fundraising Gala. Our local businesses and individuals partner with us each year, a key component of our operating budget. All donation dollars will be used for the Turf Project, facility improvements, baseballs, uniforms, and all annual operational costs.

Your donation can be an important part of our history. We thank you for your continued support and anticipate a stellar season! Help us build a lasting facility for future generations of young athletes and "Play It Forward!"

Find out more about our mission and your potential impact at www.pacerbaseball.com/PlayitForward.

Sincerely,

Dirk and Leanna Lowe, Pacer parents
