GOAL SAFETY IS THE MOST IMPORTANT THING FOR EVERY COACH AND PARENT

Coaches, when you have practice please make sure to keep all kids off the goals and all goals must be anchored with sandbags. Even if you are only using one of the goals, they both must always be anchored. When you are through with practice please put the goals back together and move the sandbags back to the light poll.

Coaches if you have the last game of the day please help us put the goals back together and move them off the field.
