

Paradise Minor Baseball

June 19, 2020

Good Day,

The 2020 Paradise Minor Baseball (PMB) season has arrived. Of course this year will look little different than it has in the past. There will be special guidelines all members will be expected to follow to ensure all players, coaches, staff, and fans have a safe and enjoyable season of baseball. These guidelines will be released in the coming days once PMB receives the final approval from the Town of Paradise.

Along with our own guidelines all members of our Association will be expected to follow guidelines set forth by Baseball NL & the Provincial Government. These can be found at the following links:

This season PMB will continue to offer game play & skill development for players from U5 to U18. The following is a brief overview on how our program will look:

- U5 (T Ball), U7 (Novice), & U9 (Rookie) will be offered with all games/skills sessions running at Paradise Park.
- House League & All Star for U11, U13, U15, U18, and Girls U12 & U14 will be offered with games/skill sessions running at both Peter Barry Duff Fields, and Milton Road Field.

- U11 House League will be offered with all games played in Paradise against Paradise teams only.
- U13 House League will play interleague games against CBS teams as well as Paradise teams.
- U15 House League will play interleague games against CBS, and Mount Pearl teams.
- The following teams will play in a Metro All Star League consisting of teams from Paradise, Mount Pearl, CBS, CBN, and St. John's. U11 AAA & AA, U13 AAA & AA, U15 two teams*, and U18. As well these teams will play in the Provincials this year (* The U15 AAA & A Provincial Teams will be selected at a later date).
- The Girls U12 & U14 will play in the Girls League of Their Own (LOTO).
- The Girls U12 & U14 All Star teams will be selected at a later date. These teams will compete in the Provincials.

There has been a lot of time and effort in planning this season. PMB will be reaching out to all to our members looking for volunteers to help around the fields. We would ask that you please consider helping. There is no way the executive and staff can run our program without you, especially this year.

Sincerely,

Craig Walker, President
